Upcoming Annual Inventory Shutdown – January 5–9, 2026

Dear Valued Customer,

AGS Company Automotive Solutions, including our BrakeQuip, Bludot, and Motive brands, will be closed from **Monday, January 5 through Friday, January 9, 2026**, to conduct our **annual inventory audit**.

During this period, our shipping operations will be temporarily paused, and **regular shipments will resume on Monday, January 12, 2026**.

To ensure your stock levels are not affected, we encourage you to **place orders 1–2 weeks in advance** of the shutdown period. This will help us fulfill your needs before our inventory operations pause.

We appreciate your partnership and understanding as we complete this important process to maintain accuracy and reliability in our service.

Thank you for your continued support.

Sincerely,

John Keene
